Christmas Gift Ideas

If we receive your order by December 17th, you will have your shipment before Christmas. These Christmas Gift offers are only available through this mailing and are not offered on the website.

The 'Time Coin' was designed to accompany the booklet, **'Time – A Valuable Asset.'** The coin with an attractive stand (available soon) can be used as a reminder throughout the day of how we are investing our time. It can be carried in the pocket or placed in a line of sight area. The last chapter of the booklet explains the use of the coin. This will make a great gift for those who value their time and even those who seem to not think about wasting it. Perfect for the office and the home.

The Booklet and the Coin: **\$24.00**
