The age old question of how to become a better you has developed many faces. From surgical procedures, physical exercise, wealth, fame, entertainment, to countless other means we have attempted to better ourselves. Some succeeded and some have failed. Here are three ways how to become a better you by becoming a better leader. This can help you be a world changer by changing your part of the world.

**Way #1 – Identify Your Leader Responsibilities
(Who we are)**

**Way #2 – Identify Your Circles of Influence
(Where we are)**

**Way #3 – Identify Your Potential Taps
(Where we desire to be)**
